

IEA-WP × JEA WEBINAR SERIES

# Women's Health *Across the* Life Course

Bringing together researchers, clinicians, and advocates to explore the epidemiology of women's health—from reproductive years through survivorship—focusing on cancer risk, menstrual and menopausal health, and equity in the Western Pacific region and globally.

DATE & TIME

Monday  
25 May 2026

● 13:00–14:00 JST  
14:00–15:00 AEST
