

## **REMINDER: APPLICATION DEADLINE FOR DAME VALERIE BERAL FELLOWSHIP AWARDS IS 15 MARCH 2024**

Following her passing in 2022, IEA established the Dame Valerie Beral Fellowships to honor the memory of IEA Past President (2014-2017), a preeminent breast cancer epidemiologist specialist and strong, lifelong advocate and mentor for women pursuing careers in epidemiology.

Three Dame Valerie Beral Fellowships will be awarded to female, early-career epidemiologists to enable their attendance at the World Congress of Epidemiology, 24-27 September 2024 in Cape Town, South Africa. Fellowship recipients are awarded World Congress of Epidemiology registration fees, travel expenses and housing expenses.

Applicants are judged on the following criteria: IEA membership, merit, and evidence of service to IEA, or willingness to serve IEA. Two of the recipients will be Early-Career Epidemiologist members from low-middle income countries and the third will be an Early-Career Epidemiologist member from a high-income country.

The deadline to apply for a Dame Valerie Beral Fellowship is 15 March 2024. Learn more and download the application [here](#).
